Blackie, A Lost Cat

Richard BARNUM

Blackie is a coal black cat who lives with two children and their parents. One day she is led astray by a neighboring cat and decides to go for an adventure. Not knowing what to expect, she walks away from her cushion in the sun, plentiful food and lots of petting attention. All does not go as she expects an indeed her scary adventures cause her much anxiety not to mention an empty belly in the days ahead. Follow Blackie on her stroll through the streets and byways of a busy town. A cute story and I promise a happy ending.
